

FRASER VALLEY REGIONAL DISTRICT

BYLAW NO. 1094, 2011

A bylaw to establish and regulate the fees, charges, terms and conditions under which water may be supplied and used in the Fraser Valley Regional District Electoral Area "D" Integrated Water System Service Area

WHEREAS the bylaw officially cited as "Fraser Valley Regional District Electoral Area "D" Integrated Water System Service Area Merger Bylaw No. 0861, 2011" established a water service area within a portion of Electoral Area D;

AND WHEREAS Section 803 of the Local government Act provides that a board may establish regulations for and recover the costs of its services by the imposition of fees and charges;

AND WHEREAS the Regional Board deems it desirable to establish the terms and conditions under which water may be supplied and used in the Electoral Area "D" Integrated Water System Service Area located in Electoral Area D;

NOW THEREFORE the Board of Directors of the Fraser Valley Regional District enacts as follows:

CITATION

1. This Bylaw may be officially cited for all purposes as the "**Fraser Valley Regional District Electoral Area "D" Integrated Water System Fees and Regulations Establishment Bylaw No. 1094, 2011**".

REPEAL OF PREVIOUS BYLAWS

2. The following Bylaws and any and all amendments thereto are hereby repealed:
 - a. Bridal Falls Water Supply and Distribution System Rates and Charges Bylaw No. 0826, 1988
 - b. Cheam Water Supply and Distribution System Fees and Regulations Establishment Bylaw No. 0234, 1998
 - c. Popkum West Water Supply and Distribution System Regulations Bylaw No. 1162, 1994

DEFINITIONS

3. In this bylaw, unless the context otherwise requires:

"Application for Water Service" means those certain documents attached hereto as Schedules C, C-1 and C-2

"Building Service Line" means the piping which conducts water to a building, between the exterior boundary of the parcel and the building upon said lot in which the "water" is to be used;

"Commercial Metered" means any connection not servicing two or more residences or buildings other than a single residence.

"Electronic Water Meter" means that device used for electronically measuring and recording water consumption located within the dwelling as shown in schedule F;

"Fees and Other Charges" means those fees and charges attached hereto as Schedules A, B, C, C -1 and C-2;

"Inspector" means any person appointed by the Regional Board as Inspector for the purposes of administering and enforcing this bylaw;

"Owner" means any person who is the owner of real property situated inside the boundaries of the Electoral Area "D" Integrated Water System, or any other person authorized in writing by the owner to represent the owner, including but not limited to a person, firm or corporation;

"Parcel" means a lot, block or other area of real property situated inside the boundaries of the Electoral Area "D" Integrated Water System to which a water service connection is made;

"Person" means any individual, firm, company, association, society, partnership, corporation or group of such number and gender as the context and facts may require;

"Water System" means the Water Supply and Distribution System established pursuant to the "Electoral Area "D" Integrated Water System Service Area Merger Bylaw 0861, 2011" and amendments thereto;

"Regional District" means the Fraser Valley Regional District as incorporated under the Local Government Act, or the geographical area within its boundaries, as the context so requires;

"Water Service Connection" means a pipe connection and other appurtenances which are intended to convey water from a public water main to the boundary of a parcel;

"Water Service Connection Permit" means those certain documents which are attached hereto as Schedules C, C-1, and C-2;

"Water Service Curb Stop" means that device which is used to turn on and turn off water at the exterior boundary of a parcel;

"Water Service Main" means that pipe installed within a public right of way for water service of more than one (1) parcel;

"Water Shut-off Notice" means that certain document attached hereto as Schedule D;

"Waterworks Stop Work Notice" means that certain document attached hereto as Schedule E;

AREA OF APPLICATION

3. This bylaw applies to all owners of all real property situated inside the boundaries of the Electoral Area "D" Integrated Water System Service Area.

PENALTIES

4. Every person who violates any of the provisions of this bylaw or who suffers or permits any act or thing to be done in contravention or in violation of any of the provisions of this bylaw or who neglects to do or refrains from doing anything required to be done by any of the provisions of this bylaw is guilty of an offence against this bylaw and liable to the penalties hereby imposed. Each day that a violation continues to exist shall constitute a separate offence hereunder.
5. Every person who commits an offence against this bylaw is liable to a fine and penalty of not more than Two Thousand Dollars (\$2,000.00) and not less than Two Hundred Dollars (\$200.00) for each offence, and in default of payment thereof, forthwith or within such time as the presiding Provincial Court Judge or Justice of the Peace shall direct, the fine imposed shall be recoverable under the provisions of the Offence Act, R.S.B.C. 1979 Chapter 305, and any and all amendments thereto.

PROHIBITION

6. Except in cases of fire or other emergency or exigent circumstance, every person commits an offence contrary to the provisions of this bylaw who:
 - (a) takes, consumes or uses water from the Electoral Area "D" Integrated Water System without first making an Application for Water Service and being issued a Water Service Connection Permit therefore;
 - (b) taps into or makes any Water Service Connection to a Water Service Main, without the prior written consent of the Inspector;
 - (c) connects or allows a Water Service Connection to be made or permits a Water Service Connection to continue to exist without first obtaining a Water Service Connection Permit to do so from the Regional District;
 - (d) fails to obtain an inspection where an installation is required to be inspected;
 - (e) covers any part of any pipe or of any fitting used for a Water Service Connection before it is inspected and approved by the Inspector;
 - (f) turns on or turns off a Water Service Curb Stop without the prior written consent of the Inspector;
 - (g) installs any pump, booster or other device or who uses same without permission in writing from the Regional District for the purpose of, or having the effect of, increasing water pressure in Building Service Lines to a higher pressure than the normal water pressure in the said Building Service Line;
 - (h) alters or tampers with any of the Electoral Area "D" Integrated Water System works or services, including, but not limited to hydrants located within any street, parcel or right-of-way located therein, without the prior written consent of the Inspector;
 - (i) alters or tampers with any of the Electoral Area "D" Integrated Water System electronic water meters belonging to the Regional District, without the prior written consent of the Inspector;

- (j) obstructs or prevents the Inspector from administering and enforcing any and all of the provisions of this bylaw;
- (k) uses water from the Electoral Area "D" Integrated Water System to sprinkle and irrigate lawns, gardens, fields or otherwise during times of limited consumption or of restricted hours of usage as designated by the Regional District from time to time;
- (l) acts, or fails to act in any manner whatsoever which causes damage to the Electoral Area "D" Integrated Water System;
- (m) acts, or fails to act in any manner whatsoever which causes or contributes to the contamination of the Electoral Area "D" Integrated Water System;
- (n) installs or connects any pipe, valve or any other fitting required for any Water Service Connection or Building Service Line at a depth of less than 1.2 m of earth fill;
- (o) installs, permits to be installed or connects any pipe, valve or any other fitting for the purpose of water consumption between the water service curb stop and electronic water meter; and/or
- (p) contravenes any provision of this bylaw.

POWERS OF THE REGIONAL DISTRICT

- 7. The Regional District shall appoint an Inspector to carry out the provisions of this bylaw.
- 8. The Regional District may:
 - (a) limit the number of Water Service Connections to the Electoral Area "D" Integrated Water System;
 - (b) when, in its opinion the public interest so requires, suspend or limit the supply, pressure and consumption from the Electoral Area "D" Integrated Water System, further prescribe the manner in which such water may be used;
 - (c) disconnect the water service to any parcel in accordance with this bylaw;
 - (d) refuse any Water Service Main extension or enlargement if such extension or enlargement may jeopardize the supply to those uses and parcels already connected to the Electoral Area "D" Integrated Water System;
 - (e) require an existing user or an applicant for a Water Service Connection to install an electronic water meter for measuring water use;
 - (f) require an applicant for a Water Service Connection to uncover any part of any pipe or fitting used in such connection which was covered before it was inspected
 - (g) and approved by the Inspector.

POWERS AND DUTIES OF THE INSPECTOR

9. The Inspector shall retain the following records in accordance with any and all relevant bylaws of the Fraser Valley Regional District and any and all relevant statutes, codes, regulations and other legislation enacted by the Province of British Columbia:
- (a) any Application for Water Service received;
 - (b) any Water Service Connection Permit issued;
 - (c) any Waterworks Stop Work Notice issued;
 - (d) any Water Shut-off Notice issued;
 - (e) any inspection reports;
 - (f) any test results; and
 - (g) any and all relevant papers and documents connected with the administration of this bylaw.
10. The Inspector may:
- (a) enter a structure at any time for the purpose of administering or enforcing this bylaw, but where any dwelling or structure to be entered is occupied, the Inspector shall first either obtain the consent of the occupant or provide written notice to the occupant twenty-four (24) hours in advance of inspection;
 - (b) issue a Waterworks Stop Work Notice in accordance with the provisions of this bylaw;
 - (c) issue a Water Service Connection Permit or refuse an Application for Water Service Connection in accordance with the provisions of this bylaw;
 - (d) disconnect the water service to any premises in accordance with the provisions of this bylaw or any other bylaw of the Regional District; and
 - (e) determine, where specialized knowledge is required, that a Professional Engineer or Applied Sciences Technologist registered in the Province of British Columbia and competent in the area of water supply and distribution services, prepare and sign all drawings, specifications and plans and supervise construction of any such installation or Water Service Connection.

ELECTRONIC WATER METERS

11. All new water service connections shall require an Electronic Water Meter.
12. Except as provided under Section 20 hereto, Electronic Water Meters shall be supplied by the Regional District and must be installed as directed by the Inspector at the applicant's expense and in accordance with Schedule F.
13. Electronic Water Meters shall remain the property of the Regional District.
14. Electronic Water Meters shall be accessible for inspection and change as may be required from time to time by the Regional District.

APPLICATION FOR WATER SERVICE

15. No person shall take, consume and/or use water from the Electoral Area "D" Integrated Water System without the prior written consent of the Regional District and without making payment of same in accordance with the terms of this bylaw.
16. A separate Application for Water Service shall be made for any and all extensions of service to an existing water service connection.
17. Where there is an existing Water Service Curb Stop, an Application for Water Service shall:
 - (a) be made in the form of Schedule C attached hereto;
 - (b) be accompanied by the fee set out in Schedule A to this bylaw; and
 - (c) contain any and all information necessary to establish compliance with the British Columbia Plumbing Code, this bylaw or any other bylaw of the Regional District.
18. Where there is no existing Water Service Curb Stop or where a change in the location of the Water Service Connection is requested, an Application for Water Service shall:
 - (a) be made in the form of Schedule C-1 attached hereto;
 - (b) be accompanied by the fee set out in Schedule A to this bylaw;
 - (c) include as an exhibit, copies of the specifications and scale drawings of the following:
 - (i) the legal description of the area of land to be served by the Water Service Connection, including the location of:
 - the Water Service Curb Stop;
 - the Building Service Line;
 - all buildings, structures and other installations requiring or related to the water service;
 - all septic system installations, sewer pipes, drains and other underground pipes, wires or cables; and
 - all pressure reducing valves, shut-off valves, etc., as per drawings
 - No. FV-A143 (W) attached as Schedule F hereto;
 - (ii) pipe sizes, valves and other plumbing fixtures; and
 - (iii) depth of the Water Service Connection and Building Service Line; and
 - (iv) contain all other information necessary to establish compliance with the British Columbia Plumbing Code, this bylaw or any other bylaw of the Regional District.
19. Where a Water Service Connection larger than 25mm is required:

- (a) an Application for Water Service shall be made in the form of Schedule C-2 attached hereto and shall furthermore contain any and all information necessary to establish compliance with the British Columbia Plumbing Code, this bylaw or any other bylaw of the Regional District;
 - (b) the water service connection shall be installed at the owner's expense;
 - (c) the owner shall pay any and all required fees and charges in accordance with Schedule A hereto;
 - (d) the electronic water meter shall be supplied and installed by the owner as per the directives of the Inspector;
 - (e) the electronic water meter shall become the property of the Regional District once installed.
20. Where an Application for Water Service has been made under this section and it is found that there is no Electoral Area "D" Integrated Water System Main adjacent to the applicant's parcel, the applicant shall have the option of:
- (a) paying in advance for such works, installations or any other costs as may be required to extend the Electoral Area "D" Integrated Water System, as a condition precedent to the approval of the Application for Water Service, or
 - (b) accepting a refund in full of any monies paid at the time of Application for Water Service.
21. Where an Application for Water Service has been made under this section, the Regional District shall in every case determine the location and size of a Building Service Line to be used, having first given due consideration to any specific request.
22. Where an Application for Water Service has been made under this section and where a specific size of Water Service Connection and or Building Service Line has been requested, and where the Regional District cannot readily supply such water service, the applicant shall have the option of:
- (a) paying in advance the estimated cost of upgrading the Water Service Main(s) or other works, as the case may be, the balance owing or the difference to be remitted to meet the requested specifications according to the Regional District's estimated cost, as a condition precedent to the approval of the Water Service Connection Permit; or
 - (b) accepting a refund in full of any monies paid at the time of Application for Water Service.

ISSUANCE OF A WATER SERVICE CONNECTION PERMIT

23. Where:
- (a) an Application for Water Service has been made; and

- (b) the proposed work set out in the application is approvable under this bylaw and conforms with this and all other bylaws of the Regional District and the British Columbia Plumbing Code; and
- (c) the applicant for a Water Service Connection has paid the fee prescribed and as set out in Schedule A,

the Inspector shall issue a Water Service Connection Permit for which the Application for Water Service has been made.

DISCONNECTION AND RECONNECTION

24. When any Building Service Line is abandoned, it shall be sealed off by the Regional District and for such service, the Regional District shall be entitled to demand and receive the fees as outlined in Schedule A of this bylaw.

Where an owner seeks to reconnect a Building Service Line, the owner shall make an Application for Water Service and shall otherwise comply with the terms of this Bylaw.

CALL FOR INSPECTIONS

25. The entire Building Service Line between the Water Service Curb Stop and/or Electronic Water Meter and the residence must be inspected by the Inspector and to the Inspector's satisfaction before authorized to turn on the water to any Water Service Connection.
26. A person must give the Inspector at least two (2) working days notice of a request for an inspection and the Inspector shall use his best efforts to undertake an inspection within a reasonable time thereafter.

WATERWORKS STOP WORK NOTICE

27. (a) Where an owner undertakes the construction and/or installation of any Building Service Line, Water Service Connection or any other works (collectively referred to as "waterworks"), which in whole or in part:
- (i) contravenes the British Columbia Plumbing Code, this or any other bylaw of the Regional District;
 - (ii) contravenes the specifications of the plans submitted with the Application for Water Service;
 - (iii) are being constructed without a Water Service Connection Permit having been issued by the Inspector, or
 - (iv) are being constructed and/or installed in such a manner that represents a hazard to the health and safety of persons on the Electoral Area "G" Dewdney Community Water System,

the Inspector may issue a Waterworks Stop Work Notice, which by its terms shall give the owner fourteen (14) days to remediate the construction and/or installation of the waterworks. The Inspector shall post the Waterworks Stop Work Notice at the site and shall deliver a copy of same to the owner in accordance with the terms of this bylaw.

- (b) Where a Water Works Stop Work Notice has been issued, no person shall continue the construction and/or installation of any waterworks in contravention of the notice. Where waterworks are continued in violation of this section, the owner shall be subject to penalties and/or water shut-off in accordance with this bylaw.
- (c) Where a Waterworks Stop Work Notice has been issued, the Inspector may require the owner to make a separate Application for Water Service Connection in order to comply with the terms of the notice.
- (d) Notwithstanding the provisions of this section, where a person acts in such a manner or where there are exigent circumstances which represent a hazard to the health and safety of any user of the Electoral Area "D" Integrated Water System, the Inspector may issue a Waterworks Stop Work Notice which by its terms shall cause the immediate suspension of any and all waterworks.
- (e) A Water Works Stop Work Notice shall not be lifted until the violation has been corrected to the Inspector's satisfaction. Once the violation has been corrected, the Inspector shall issue a new Water Service Connection Permit.

WATER SHUT-OFF NOTICE

28. (a) Where:
- (i) in the opinion of the Inspector, water is being misused or excessive wastage is taking place, the inspector may issue a shut-off notice.
 - (ii) in the opinion of the Inspector, any Water Service Connection, Building Service Line, pipe fitting or fixture (collectively referred to as "waterworks") contravenes the requirements of the British Columbia Plumbing Code, this bylaw or any other bylaw of the Regional District;
 - (iii) in the opinion of the Inspector, any "waterworks", construction, installation or excavation associated with the Electoral Area "D" Integrated Water System represents a hazard to the health and safety of persons on the system;
 - (iv) an owner violates regulations put in place from time to time by the Regional District concerning water rationing and/or water usage; or
 - (v) where a person fails to comply with the terms of a Water Works Stop Work Notice,

the Inspector may issue a Water Shut-off Notice, which by its terms shall give the owner fourteen (14) days to remediate the violation. The Inspector shall post the Water Shut-off Notice at the site and shall deliver a copy of same to the owner in accordance with the terms of this bylaw.

- (b) Where the terms of the Water Shut-off Notice have not been satisfied and the owner has been duly notified, the Inspector may cause the water to be shut-off at the Water Service Curb Stop.
- (c) Notwithstanding the provisions of this section, where a person acts in such a manner or where there are exigent circumstances which represent a hazard to the health and safety of any user of the Electoral Area "D" Integrated Water System, the Inspector may cause the water to be immediately shut-off without notice.
- (d) For so long as the Water Shut-off Notice is in effect, no person shall reconnect the water in contravention of the notice. Where water is reconnected in contravention of this section, the owner shall be subject to penalties in accordance with this bylaw.
- (e) A Water Works Shut-off Notice shall not be lifted until the violation has been corrected to the Inspector's satisfaction. Once the violation has been corrected, the Inspector shall issue a new Water Service Connection Permit.

FEES AND OTHER CHARGES - TERMS AND CONDITIONS OF PAYMENT

- 29. Where applicable, the fees and other charges set forth under Schedule A hereto, are hereby imposed upon all owners of real property situated inside the boundaries of the Electoral Area "D" Integrated Water System as may be amended from time to time.
- 30. All user fees and charges shall be billed semi-annually in arrears by the Regional District and shall be due and payable upon receipt thereof.
- 31. All user fees and charges which remain unpaid after 31st December in each year will be subject to recovery as authorized by Section 363.2 of the Local Government Act.
- 32. Non-receipt of a utility billing by the owner will not exempt the owner from paying for the water service received.
- 33. Any person paying fees and other charges for the use of water from the Electoral Area "D" Integrated Water System shall be liable for the payment of same until the Regional District is notified in writing of the person's intent to discontinue the use thereof.

EFFECTIVE DATE OF BYLAW

- 34. The fees, charges, terms and conditions contained herein shall be effective from the date of adoption of this bylaw.

NOTICE

- 35. Whenever it is a requirement of this bylaw that the Regional District deliver or serve notice on any person or party, any such notice will be conclusively deemed valid when served or delivered:

- (a) on the date of personal delivery where personally delivered;
- (b) when received by the addressee at the address shown on the assessment roll of the parcel as of the date of mailing on the seventh (7th) business day following the mailing of same by pre-paid registered mail at any Canada Post Office.

PARTIAL INVALIDITY

36. If any section, subsection, sentence, clause or phrase in this bylaw is for any reason held to be invalid by a decision of any court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of the bylaw.

TERMINOLOGY

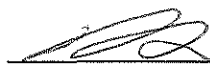

37. In this bylaw, wherever the singular or masculine is used, it will be construed as if the plural, feminine or neuter, as the case may be, had been used where the

INCORPORATION

I hereby certify the foregoing to be a true and correct copy of "Fraser Valley Regional District Electoral Area "D" Integrated Water System Fees and Regulations Establishment Bylaw No. 1094, 2011 as adopted by the Board of Directors of the Fraser Valley Regional District on the 28th day of June, 2011.

Dated at Chilliwack this 29th day of June, 2011

Corporate Officer/Deputy

SCHEDULE A
FRASER VALLEY REGIONAL DISTRICT
Electoral Area "D" Integrated Water System
Fees and Regulations Establishment Bylaw No. 1094, 2011

WATER SERVICE CONNECTION FEES

1. Existing Water Service Curb Stop which is of adequate size for the use intended and is located at or immediately abutting the boundary of the parcel which is the subject of an Application for Water Service:

\$325.00 Electronic Water Meter (meter and register) per connection
\$ 75.00 Inspection Fee

\$400.00 TOTAL COST OF CONNECTION

2. No Existing Water Curb Stop on an existing Water Service Main:

- i) The Water Service Connection will be installed at the owner's expense.
- ii) The Electronic Water Meter will be supplied as per the provisions of Section 1 above.

3. No existing Water Service Main adjacent to the parcel which is the subject of an Application for Water Service:

- i) Water main will be extended at owner's expense.
- ii) The Water Service Connection will be installed at the owner's expense.
- iii) The Electronic Water Meter will be supplied as per the provisions of Section 1 above.

4. Water Service Connection larger than 25mm:

- i) The Water Service Connection will be installed at the owner's expense.
- ii) The Electronic Water Meter will be supplied and installed at the owner's expense.
- iii) \$75.00 inspection fee.

5. To seal off and disconnect an abandoned Water Service Connection:

- i) The disconnection will be made at cost at the owner's expense.
- ii) \$75.00 inspection fee per disconnection.

This is Schedule A attached to and forming part of Bylaw No. 1094, 2011.

SCHEDULE B

FRASER VALLEY REGIONAL DISTRICT

**Electoral Area "D" Integrated Water System
Fees and Regulations Establishment Bylaw No. 1094, 2011**

WATER USER FEES

CATEGORY OF USER	QUARTER CHARGE	AMOUNT OF WATER PROVIDED
Flat/Un-metered Minimum charge	N/A	N/A
Metered – Minimum Charge	\$0.77 m ³ (\$77.00/quarter minimum	100 cubic metres per quarter
Metered Cost per Cubic Metre over 100 Cubic Metres	\$0.80m ³	Over 100 cubic metres per quarter

Notwithstanding, the maximum fees established herein, if the costs necessary to deliver the service are less than anticipated in a given budget year, than a lesser amount of water user fees may be charged.

ADDITIONAL CHARGES

All requests for water service that require a water connection to be turned on at the property line will be subject to a fee of \$150.00 should the request result in a stoppage of the water user rate.

This is Schedule B attached to and forming part of Bylaw No. 1094, 2011.

SCHEDULE C

**FRASER VALLEY REGIONAL DISTRICT
