

RFP-25016 Question and Answer Document #1:

Q: Can a site visit arranged to fully understand the scope?

A: A site visit has been arranged for Wednesday December 10th at 10 am. Any interested proponent is welcome to attend. The site visit is not mandatory.

Q: In Schedule E Pricing Matrix under Pass/Fail it mentions in the third line "Past Experience with FVRD" as a 10% weighting. Does this mean that if a proponent is not actively engaged with FVRD in the past they automatically have a 10% disadvantage in the tender process?

A: Proponents who have not worked with the FVRD do not automatically have a 10% disadvantage. All proponents start with a score of 5 out of 10. Proponents who have previously worked with the FVRD will receive a higher or lower score based on their previous performance.
