

## EVACUATION ALERT – PARTIAL RESCIND

August 28, 2023, 11:30 AM

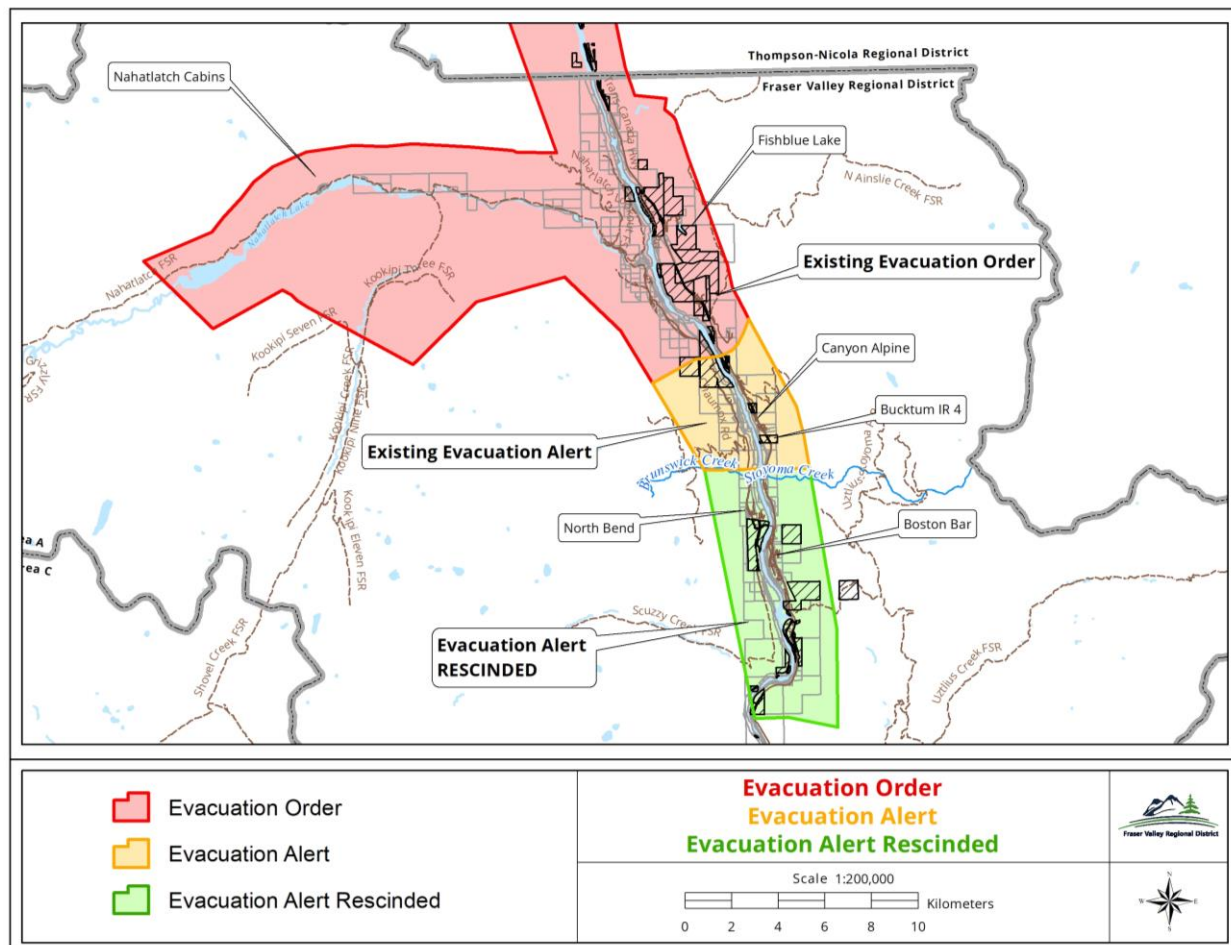

### Electoral Area A - Kookipi Creek Wildfire, Boston Bar & North Bend Areas

Pursuant to *Section 12 (1) of the BC Emergency Program Act* and per the recommendation of the BC Wildfire Service (BCWS), the Evacuation ALERT issued by the Fraser Valley Regional District Emergency Operations Centre (EOC) on August 17, 2023, at 9:45 pm for the Canyon Alpine, North Bend, and Boston Bar areas has been partially rescinded.

This change lifts the evacuation alert for the communities of Boston Bar and North Bend.

The Canyon Alpine area remains on Evacuation ALERT.

The existing Evacuation ORDER area remains unchanged.

While the Evacuation Alert is being partially rescinded, the danger may reoccur (caused by new ignitions, lightning strikes, or a change in the prevailing winds, for example) and an Evacuation Alert or an Evacuation Order may need to be issued. BCWS will continue to operate in the area until the wildfire is contained, and there may be BCWS service members and helicopters active in the area.
