

EVACUATION ALERT – MODIFIED

September 8, 2023 2:00 pm

Electoral Area A - Kookipi Creek Wildfire, Nahatlatch River Area, Boston Bar

Pursuant to *Section 12 (1) of the BC Emergency Program Act* and per the recommendation of the BC Wildfire Service (BCWS), the **Evacuation Alert** issued by the Fraser Valley Regional District Emergency Operations Centre (EOC) on September 4, 2023, at 2:00pm, is being modified as shown on the map below:

- » The **Evacuation Alert remains** for:
 - areas north of Hannah Lake in Nahatlatch Park including the Rivers Edge Cabins, and
 - areas on the south fire boundary along Chaumox Road and Nahatlatch FSR, including the Washtock Family Farm and Campground
- » This change lifts the Evacuation Alert for all other areas in FVRD Electoral Area A. The Evacuation Alerts issued on August 17, 2023 for the Canyone Alpine area and on August 30, 2023 for properties east of the Fraser River have been **rescinded**

While the Evacuation Alert is being partially rescinded, the area remain hazardous from poor road conditions, danger trees, unstable slopes, and other post-fire hazards. The danger of wildfire may reoccur (caused by new ignitions, lightning strikes, or a change in the prevailing winds, for example) and an Evacuation Alert or Evacuation Order may need to be reissued.

BC Wildfire Service (BCWS) has implemented an **Area Restriction** for the Kookipi Creek wildfire limiting travel to the area for non-residents. BCWS will continue to operate in the area until the wildfire is under control. Please be aware that there may be BCWS service members, heavy equipment, and helicopters active in the area and obey all signage.

IF YOU NEED ASSISTANCE:

Prior to returning to your community, please review the re-entry guide online at www.fvrd.ca/EOC. The guide provides more information on how to prepare before you leave, and what to look out for upon return.

FVRD residents can contact the FVRD EOC at 778-704-0400.

Further information may be issued as it becomes available. Please visit the FVRD's EOC webpage at www.fvrd.ca/EOC or [Facebook](#) and [Twitter](#) (@FraserValleyRD) for updates. You can also sign up on [Alertable](#) to receive emergency notifications using the app or by phone, email, or text.

Please visit the [BC Wildfire Service webpage](#) for the most up-to-date wildfire information.
