An Evacuation Alert could be changed to an Evacuation Order with short notice. Please be prepared for potential evacuation until all evacuation notices have been lifted for the area.

While the Evacuation Order is being downgraded, areas within the Evacuation Alert remain hazardous from post-wildfire hazards and other risks. BC Wildfire Service will continue to operate in the area until the wildfire is contained, and there may be BCWS service members and helicopters active in the area.

There is no southern highway access to the communities. The only road access is from the north. A map is available at FVRD.ca/EOC.

This Evacuation Alert applies only to lands within the Fraser Valley Regional District Electoral Areas. Evacuation notices for First Nation communities are issued by the respective First Nations.

Other Alerts and Orders

Hell's Gate and areas south of Hell's Gate to Sawmill Creek, including Spuzzum, remain on **Evacuation Order**.

Sawmill Creek to Dogwood Valley remains on **Evacuation Alert**.
