

## EVACUATION ORDER

November 15, 2021 at 9:15 PM

### Othello Road, FVRD Electoral Area B

Pursuant to the BC Emergency Program Act, an **Evacuation Order** has been issued by the Fraser Valley Regional District (FVRD) due to immediate danger to life and property because of the atmospheric river event and heavy rainfall causing high flows and scour in the Coquihalla River. High flood waters have exposed a high volume Natural Gas Pipeline located beside the Coquihalla Hwy near the Othello road exit and caused flooding and erosion. FVRD is issuing an Evacuation Order until this section of the pipeline has been made safe and flood risk assessment is completed. Members of the Royal Canadian Mounted Police (RCMP) and other applicable agencies will be expediting this action.

This ORDER applies to the properties in FVRD Area B as shown in red on the map:
