

EVACUATION ORDER & ALERT

November 22, 2021 at 1545 hours

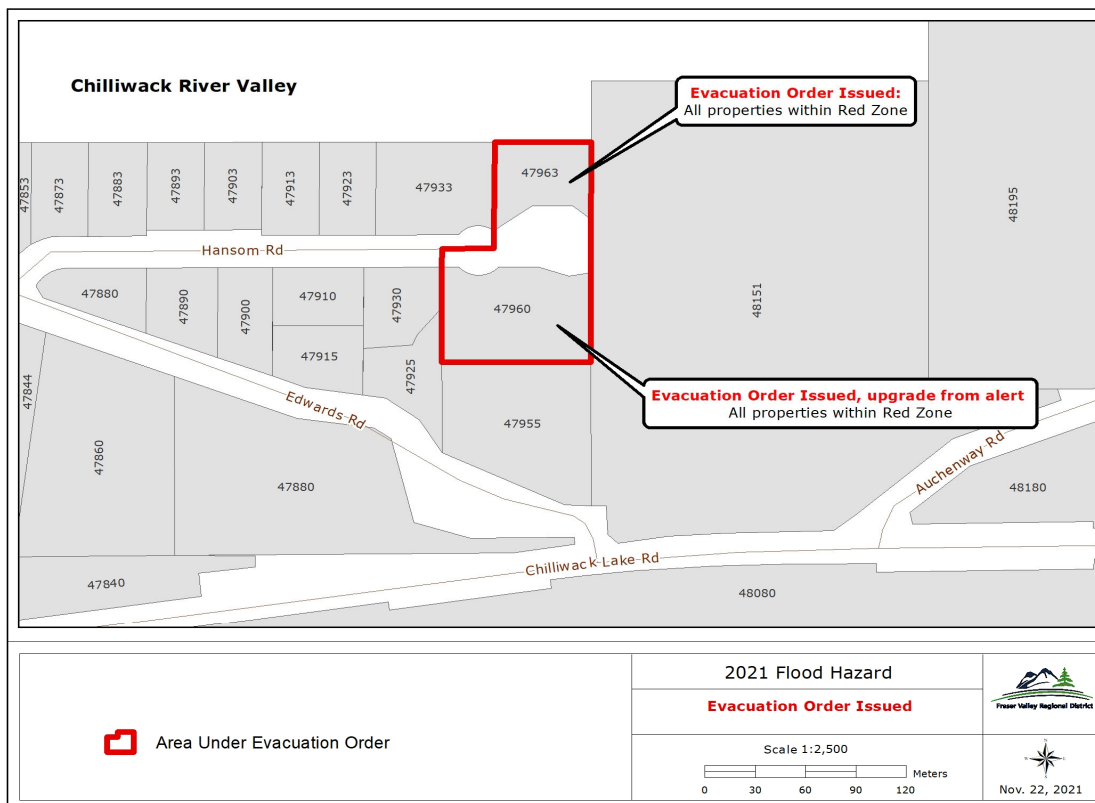

Hansom Road, Chilliwack River Valley, FVRD Electoral Area E

Pursuant to the BC Emergency Program Act, an **Evacuation Order** has been issued by the Fraser Valley Regional District (FVRD) due to immediate danger to life safety and health because of slope movement associated with an atmospheric river event and heavy rainfall.

FVRD commissioned a geotechnical assessment in the Hansom Road area. The geotechnical assessment has noted new ground movement since the start of the atmospheric river event. Several small landslides resulting in small to large tension cracks have occurred in the ground directly upslope of the subject properties. Due to landslides and rainfall forecasted for later this week, the FVRD is issuing the following evacuation order.

47963 Hansom Road, in FVRD Area E, REMAINS on Evacuation Order as shown in **red** on the map below.

This **ALERT** on 47960 Hansom Road has been upgraded to an Evacuation Order, in FVRD Area E as shown in **red** on the map below.
