

Parks and Trails

- Encourage bike route along Yale Rd to Cheam Wetlands
- Community park south of Yale Rd.
- Connect with existing trail routes
- Hillside trail in Bridal Falls

Infrastructure Services

- Levels of service reflect size of new parcel
- Rural = onsite services
- Suburban/higher density = community water and sewer services for new developments

The 'Parks and Trails' section includes a photograph of a lake with a wooden bridge and a person walking. The 'Infrastructure Services' section includes a photograph of a firefighter in a red jacket and yellow pants using a red fire hydrant to spray water.

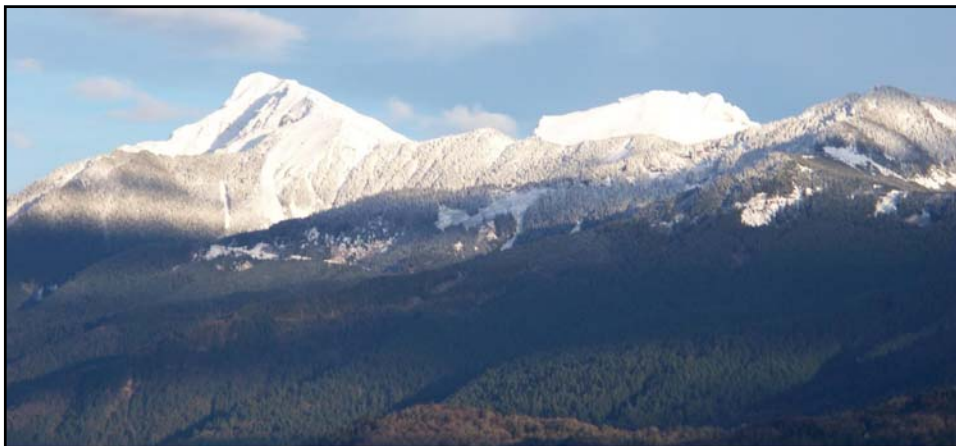

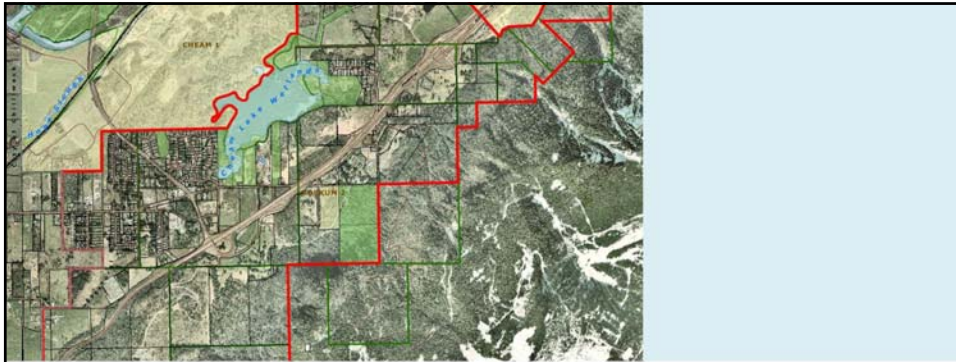

Suburban Residential

Agricultural Land Reserve
Boundary Review

- West Popkum

Almost done.... geotechnical work still needed

- Mount Cheam – Bridal Falls geotechnical study report needs more technical work and time
- Unforeseen additional time
- Unique slope and geotechnical features
- Report findings will be shared with everyone
