We received 47 responses

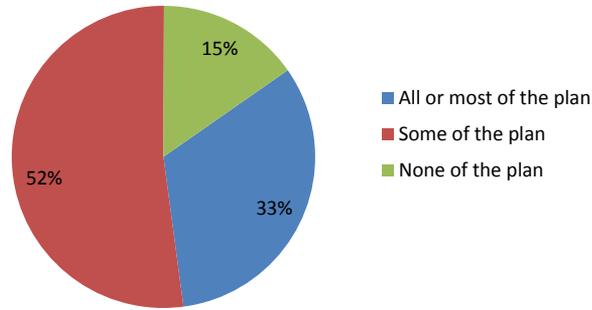

Popkum-Bridal Falls Official Community Plan – Survey Response Summary (2019)

**Do you live, work, recreate, or have another interest within the Popkum-Bridal Falls area (Electoral Area D)? Check all that apply**

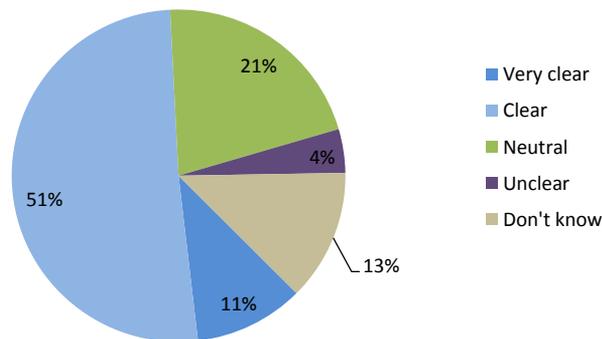

### Have you read the Draft Official Community Plan for Popkum-Bridal Falls? I have read:

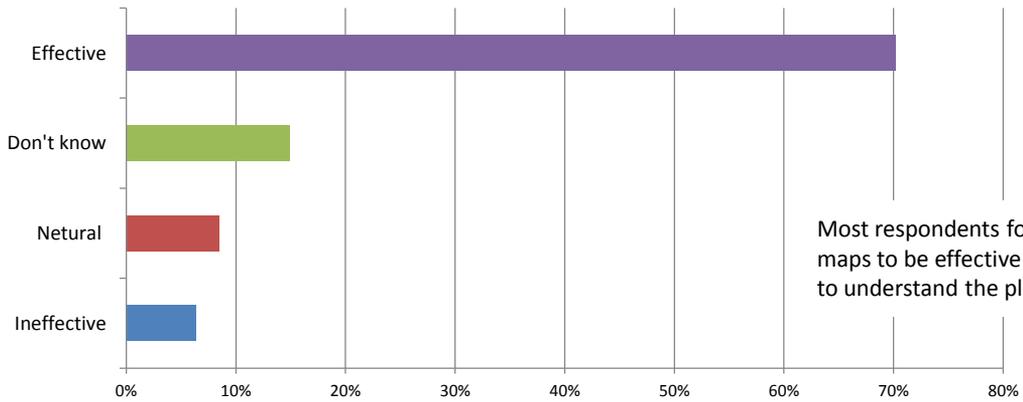

Most respondents read some or all of the plan

### How clear and readable is the plan?

Most respondents considered the plan to be clear, or very clear

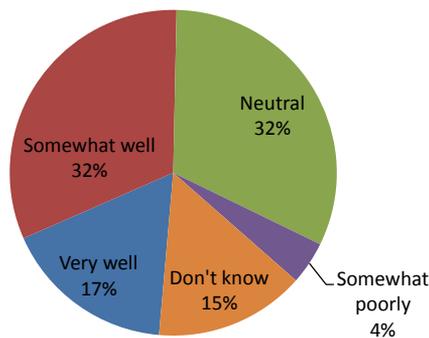

### How effective were the maps in helping you understand the plan?

Most respondents found the maps to be effective in helping to understand the plan

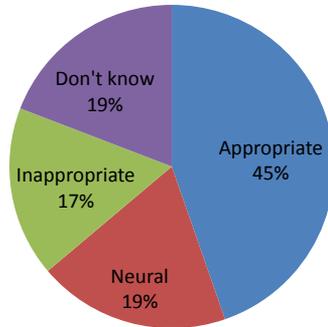

### Overall, how well does the plan reflect the challenges and opportunities of the community?

49% of respondents indicated the plan reflects the communities opportunities and challenges, while 32% were neutral.

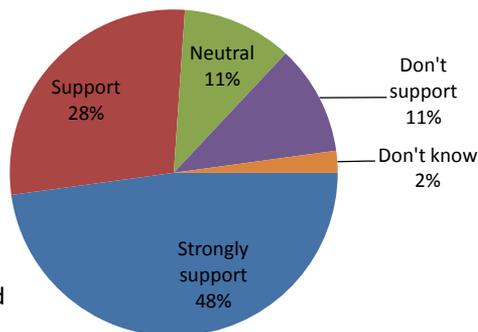

### Do you think the current pattern of growth is appropriately sensitive to existing development?

45% of respondents indicated the current pattern of growth is sensitive to existing development while 19% were neutral, and another 19% did not know and skipped the question.

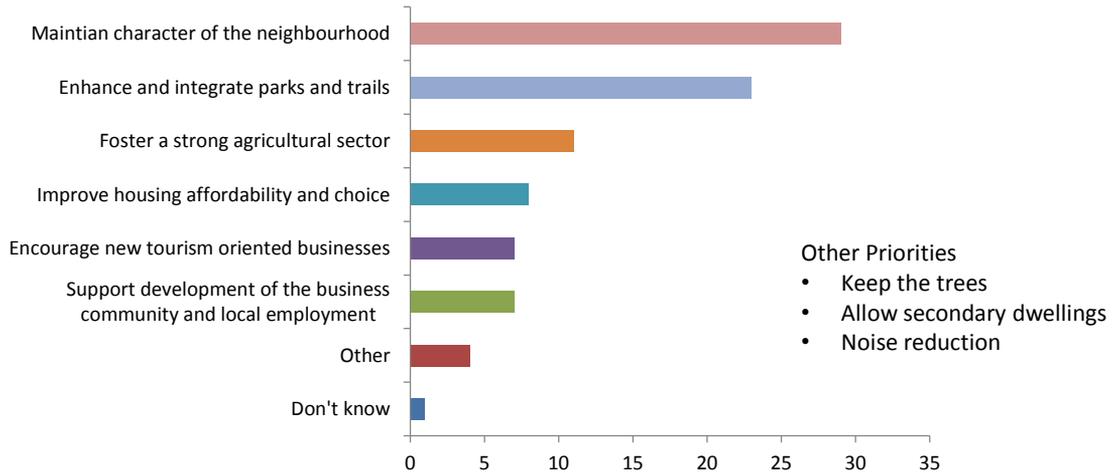

### Do you support the vision in the plan to enhance and connect existing parks and trails?

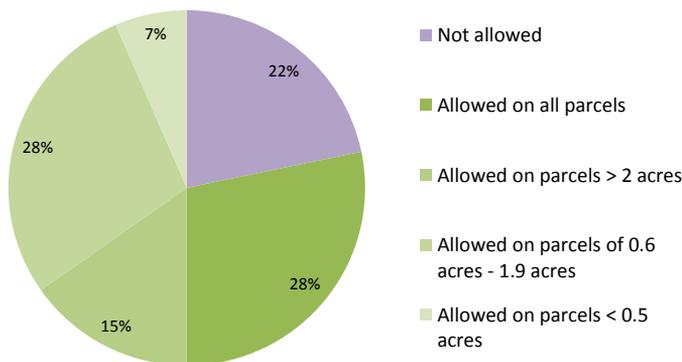

Over ¾ of respondents support or strongly support the parks vision and policies to enhance and connect parks and trails

### What are the top priorities the plan should focus on?

### How do you feel about secondary dwellings such as basement suites, garden suites, or carriage houses within Popkum-Bridal Falls? Should they be:

- 78% of all respondents indicated support for some type of secondary dwelling
- 22% of respondents were not supportive of secondary dwellings

### What parts of the plan did you like the most?

- The parks plan
- Connecting parks & trails
- Parks & trails will be maintained
- Parks & trails
- That the plan includes trails & greenways
- Continued expansion of the trail network and expansion of parks
- Parks and recreation
- Maintaining the character of the area
- Plan is very comprehensive (x2)
- Future development
- Not impressed with the sewage proposal
- Sorry, nothing stands out
- First Nation neighbour content
- Emphasis on maintaining the unique character of Popkum and the plan to develop walking and cycling trails, acknowledgment of Sto'lo land use needs
- The maps helped locate the different areas. Plan is well written
- Maps were very informative
- Protecting the view of the mountains, and watching development to avoid a congested highway access

### Is there anything else you would like to see included or changed in the plan?

- More information on secondary dwellings
- I'd like to see more real parks. Linear parks should not count as parks
- Secondary dwellings supported
- Improved safety along Yale Road and other arteries (Hwy 9)
- A long term plan for the sewer system that encompassed all of Popkum, not just areas within
- Put more emphasis on the Hwy 9 corridor. It has great potential for future business and tourism
- Stronger efforts to control the destruction of trees. Better signage for Bridal Falls park to help reduce traffic on side roads by lost tourists
- Illegal dumping on Cheam Forest Service Road needs to be addressed
- Address illegal dumping in the cul-de-sac on Popkum Road S and Cheam Forest Service Road
- Address the need for a truck stop. Trucks currently congregate on the small road in Bridal Falls
- Did I miss the recycling plan? It would be great to have curbside collection for composting in addition to recycling pick-up
- How about a dog park?
- No mention of a plan to reduce air pollution by commercial and backyard burning. There should be a complete ban on outdoor burning as it is a significant cause of poor air quality and health problems
- Options for a grocery store and restaurants
- Internet services and fiber in rural areas
- Plan refers to what it can do for residents of the Popkum community. It should include what is expected of the residents, i.e. their responsibilities. I'm personally tired of the 'one-way' planning procedure. Address the responsibilities not just the rights and expectations!
