## 2025 Residential Utility Rates

In Area F, the residential utility billing includes one service area based on metered rates. The utility bills are issued semi-annual and are billed in April and October each year through user fees in addition to taxation.

### METERED RATES:

- › Based on consumption through a meter read.
- › All metered rates include a minimum charge up to a set amount of usage measured in cubic metres (m<sup>3</sup>).
- › Usage beyond the set amount is billed at a per m<sup>3</sup> rate.
